## ABOUT THE COLLEGE

Rangia Teacher Training College (RTTC), located in the historically significant town Rangia, is a leading institution for teacher education in Assam and across India. Established in 1987, the college has been providing quality teacher training through its B.Ed. program. The institution transitioned to a two-year B.Ed. program starting from the 2015-16 academic session, further enhancing its teacher education curriculum. Additionally, since the academic year 2020-21, RTTC has expanded its offerings to include a B.A. program, catering the growing need of both honours and regular courses. Over the past three decades, Rangia T.T. College has produced numerous B.Ed. graduates, contributing significantly to the field of education.

## ABOUT THE SEMINAR

The Indian Knowledge System (IKS) is the term used to describe the knowledge, practices, and wisdom that have been developed and passed on through generations in India. India has a rich intellectual and cultural history that has been shaped and paved by these knowledge traditions throughout history. The National Education Policy (NEP) 2020 assures that modern education is dynamic, inclusive, and forward-looking while keeping in mind the profound insights of our predecessors. By incorporating this concept, this seminar will serve as a platform for exchanging knowledge, experiences, and insights on integrating the Indian Knowledge System (IKS) into the modern and contemporary education landscape.
