COURSES AND CURRICULUM

NEP- 2020 NEW COURSE STRUCTURE: FYUGP Regulations for Degree first Sem. admission according to FYUGP the Four Year Undergraduate Programme (FYUGP) of Gauhati University is as per UGC's Curricular Framework, published in November 2022. The course structure of FYUGP is built on the Choice-Based Credit System (CBCS). Structure-wise, the present Bachelor's Degree programme under the CBCS is a 3-year degree programme at the end of which, a student will be awarded a Bachelor's Degree in Arts or Commerce. The Two systems - Bachelor's Course under CBCS and Bachelor's Course under the FYUGP of NEP are different in the following ways.

* Duration While under CBCS, one has a 3-year degree programme, under the NEP's FYUGP, it is a 4-year degree programme.

* Exits & Entries under CBCS, one needs to complete the full 3-year programme in order to get a degree. There is no provision for dropping out of the programme in the middle. While in the FYUGP, one has choice to exit from the programme thrice – after one year, after two years, and after three years. If one exits the programme after one year, one gets a certificate. If one exits after two year, one gets a diploma. If one exits after three years, one gets a Bachelor's Degree. And finally if a student completes the whole 4-year, one gets a Bachelor's Degree (Honours).

* Honours and Major under the CBCS, we either have Bachelor's Degree (Honours) or a regular Bachelor's Degree. In FYUGP, we get a Bachelor's Degree with Major after 3 years and a degree with Major & Honours after 4 year.

* First Year (Semester I & II) In the first year, one studies three different core subjects - one paper of each subjects per semester. Besides, one needs to study a host of common subjects that we have designed as per UGC's Curricular Framework. Details of these courses are described in the booklet.
